

Die Transparenzoffensive der Europäischen Union

AOE | Sustainable Future .digital

Prof. Dr. Julia Hartmann, 7 September 2023

Climate change affects all eco-system services

The European Union's Green Deal

Striving to be the first climate neutral continent

Zero net emissions of greenhouse gases by 2050

Economic growth decoupled from resource use

No person and no place left behind

€1.8 trillion investments

Implementing the Green Deal

Fit for 55

**Circular Economy
Action Plan**

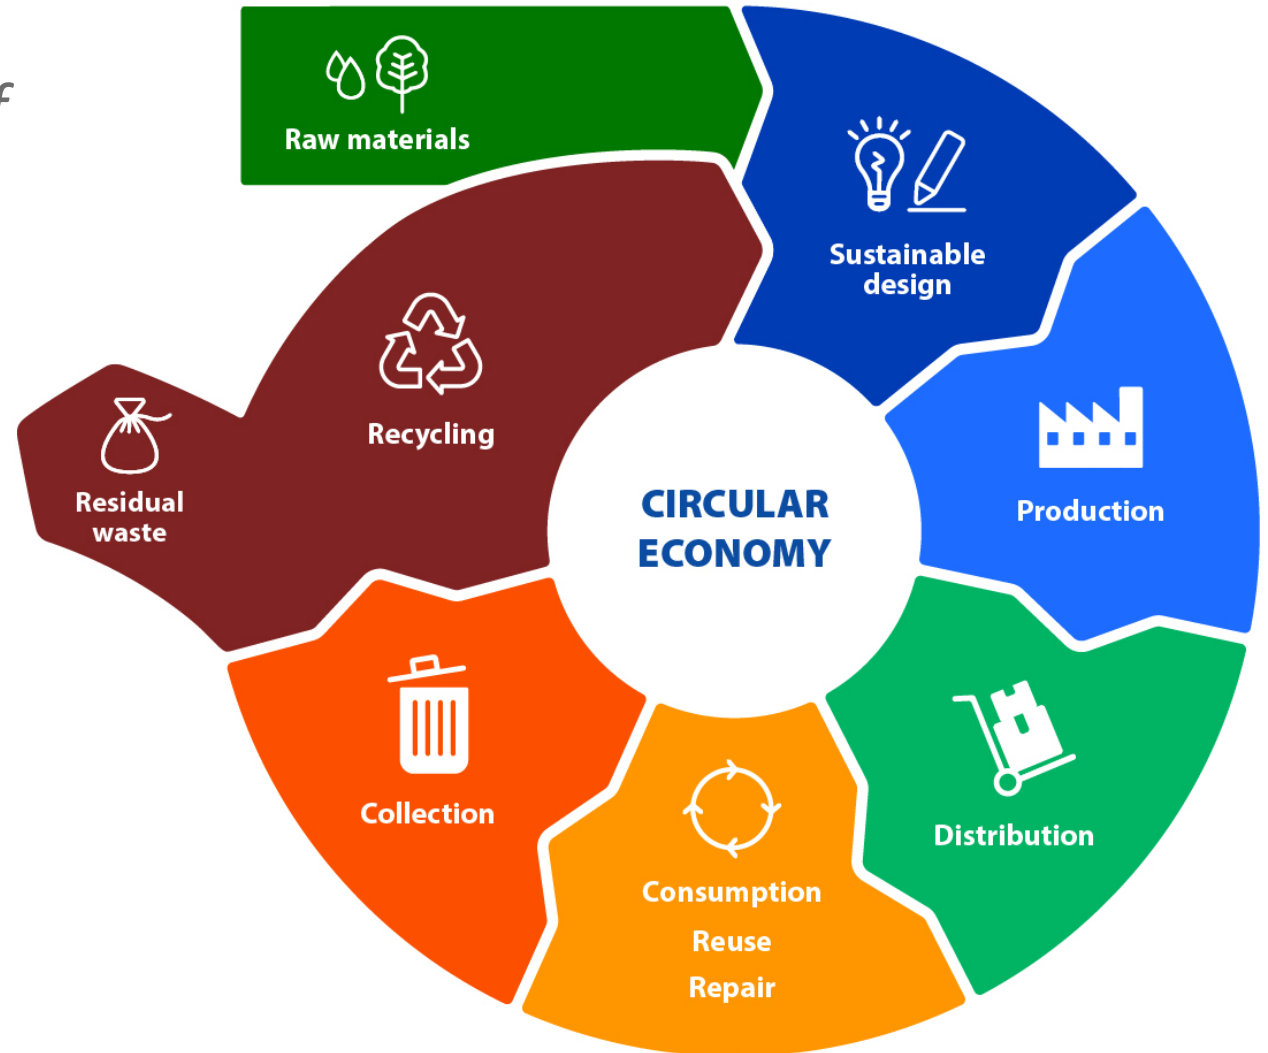

**Corporate
Sustainability
Reporting Directive**

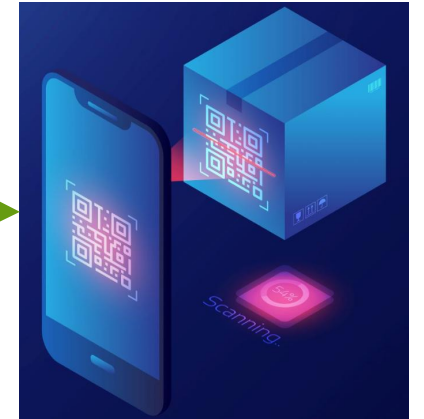

Implementing the Green Deal

*The circular economy is a model of production and consumption, which involves **sharing, leasing, reusing, repairing, refurbishing and recycling** existing materials and products as long as possible. In this way, the life cycle of products is extended.*

The Circular Economy Action Plan

Thank you for your attention!
